SERVICE DATA ELECTRONICS ADMINISTRATION

Faultcodes - Bosch EDC 15 P Unit Injector - 2002

Fault codes can only be read with appropriate diagnosis equipment.
 The warning lamp must light momentarily when the ignition key is activated.
 The fault indicator lamp is normally yellow (must not be red)
 If the lamp LIGHTS UP, this means that pollution from the vehicle is too high.
 If the lamp starts to light up after a number of days' driving, you must take the vehicle to the garage.
 If the lamp is on continuously, you must take the vehicle to the garage immediately.
